

2024 CPA Sand

Hi all,

Lots of information for sand in here. I am creating a new CPA SAND site with more information! That link will be available in the near future. I just needed to get this info out as soon as I could.

In the meantime, check out our current sand site to see what we did last year. 2024 summer will also be different as we plan on adding Bidwell and separately training teams already registered for tournaments, as well as still offering regular training. On our current site you can see our sweet coaching line-up as well. Check it out - <http://cpavolleyball.com/SAND.html>.

THE SCOOP

Here's the scoop:

We are offering 2 travel weekends for sand and 2 in state tournaments all during indoor season, other tournaments during the summer months will be offered as well. As long as it doesn't conflict with your CPA indoor tournament schedule - let's do this!

2. **GNBV National Recruiting Showcase 2/4/2024**

NEXT STEPS

- Let me know at cpasandvolleyball@gmail.com that you are taking steps to do this
- Find a partner that will do this with you, it's up to you to find a partner right now. We might add a different element in the future where we find the right partner for you, however not this year. Also, players from outside the club are welcome! (make sure it's someone that is willing to work hard and train with you)
- You and your partner sign-up for the tournaments, get your flights, hotel accommodations.
- Send me your sign-up confirmation and flight information
- FYI there is a potential uniform package with CPA Sand Gear (Tank, Shirt option sweatshirt and sweats)
- Coaches travel, hotel, etc will be split amongst those that will commit.
- We would like to get 8 girls at least to do this so we can have 2 coaches come, if only 2-6 teams are able to go we will only send one coach.
- We will be in communication about where to train as we get closer to the dates.
- The first weekend is coming up quick so let me know asap if you and a partner are doing this.

In state tournaments during indoor season:

These 2 tournaments would be a little different than the ones above as I would need to sign-up the teams under our club. If I can get at least 3 pairs, in the same age division, I can sign up. I'd need to know who would be doing this for sure as this could get full quickly.

- April 27, 28 Kahiau VBC Chelan, WA - Only for 15U and up approx \$63 per player
- May 11, 12 Kokua Spokane, WA - cost approx \$70 per player

More information on tournament travel in the summer, training, and uniforms will be available soon.

As this weather holds, I would be reaching out to those traveling for beach and seeing if we can move around in the sand. Nets might be down but we could still get our sand legs going! We'd have to dress really warm of course.

If one or both of the in state tournaments are something you want to do contact me at cpasandvolleyball@gmail.com . Let me know if you have any questions - in which you may have many and I get it! It's a different set up than indoor.=)

Merry Christmas and a Happy New Year!

Mahalo,
Coach Hedder
